Official Title

On May 16, 2018, the Defendant was encountered by Immigration and Customs Enforcement Officers at the Aztec Magistrate Court, Aztec, New Mexico. It was determined that the Defendant was a citizen and national of Mexico and amenable to removal from the United States by being in the United States without permission or parole. A review of the Defendants A-File indicated that the Defendant was ordered Expedited removed from the United States by a District Director on October 22, 2008, and the defendant was removed from the United States to Mexico. That order was reinstated on September 22, 2009 and November 22, 2009, the Defendant was removed subsequently removed to Mexico on Both Occasions. A review of the defendant's immigration history does not indicate that the Defendant neither applied for nor received the consent of the appropriate authority of the United States to reapply for admission into the United States.
